

ELECTRIC DIRECTOR GRIFFIN POWER

The City of Griffin, GA Seeks an Electric Director

The City of Griffin, Georgia is comfortably located approximately 40 miles south of Atlanta and 10 miles west of Interstate 75. With a population of almost 24,000 and an area of 14.6 square miles, Griffin combines hometown charm with big city convenience, making it the perfect place to live, work and raise a family. Our beautiful tree-lined streets and well established neighborhoods provide a comfortable and relaxing lifestyle. Our public, technical and secondary educational system, arts and recreational programs combine to nurture both the mind and body. Our vibrant retail community attracts consumers from throughout the region, with na-

tional and local merchants providing quality shopping, entertainment and dining options.

Griffin Power is the preeminent power supplier for Griffin and provides residential, commercial and industrial power. We are partners with the Municipal Electric Authority of Georgia (MEAG) and Electric Cities of Georgia (ECG). With a \$55M budget and 62 employees, Griffin Power provides electricity to approximately 15K customers

We are dedicated to providing safe, professional, reliable power and services at the lowest cost while exceeding our customers expectations.

Griffin is a Commission-Manager form of government with seven commissioners who direct the operations of the City government through a City Manager. Services of the City are directed by seven Department Directors including Administrative Services, Central Services, Planning & Development, Public Works & Utilities, Electric, Police and Fire. The Electric Director reports directly to the City Manager
