SUPPORTING GREATNESS.
DEVELOPING OPPORTUNITIES.

Pole Attachment Service
Virtual Meeting

August 19, 2020
Housekeeping

- Please mute your phone or computer microphone
- Raise your hand to ask a question
- You can use the comments to ask a question as well.
• Pole Line Change Outs
• NJUNS
• Permit Process
• Inventories
• Small Cell Agreements
• Georgia Broadband Opportunity Act (HB244)
• Q&A
Pole Line Change Outs

- Part of growth
- Agreements call for notification
- Will facilitate better communication
- Less double poles in community
**NJUNS**

- Form provided
- Send to Nick

---

**Georgia Priority Codes (Choose one)**

- [ ] 1 Severe – Requires Immediate Attention – ex: low hanging cable over road/driveway that truck can take down, broken pole, danger to public, etc.
- [ ] 2 Priority Change Out - no danger, but needs to be completed in less than 60 days – need details as to why it should be expedited
- [ ] 3 Routine - transfer with no engineering for attachers required
- [ ] 4 Relocation/Removal - requires engineering by attachers due to line move, elevation change, distance to new pole is over 10 ft., etc.
- [ ] 5 Make Ready
- [ ] 6 Safety/Maintenance Issue – Raise, Lower, Resag, etc to comply with NESC (no danger). Describe below if needed

Permit Process

- Attacher submits permit
- ECG orders field inspection
- Make Ready or No Make Ready
- City approves
- Returned to attacher
Joint Use Inventories

- To be performed every 5 years
- Allows city to obtain accurate counts of pole attachments
- Usually pays for itself
- Capture obvious safety violations
Small Cell Agreements

- AT&T (New Cingular Wireless)
  - 30 cities have approved
- Verizon Wireless
  - 30 cities have approved
Georgia Legislative and Regulatory Activity

- HB244 – Georgia Broadband Opportunity Act
- General Legislative Observations
- GA Public Service Commission
- ECG Observations and Strategy Considerations
