

## **JOB ANNOUNCEMENT**

The City of Covington is currently accepting applications for **Electric Director**, with an annual starting salary of \$85,654.40 to a maximum annual salary of \$125,798.40 depending upon qualifications. This position performs complex supervisory, administrative and professional work in planning, organizing, directing, and supervising the Electric system, including acquisition, distribution and maintenance of energy supply, projects and programs. Assumes full management responsibility for the Electric function, plans and directs the operation and maintenance of electrical transmission and distribution services; and oversees the operation and maintenance of electrical sub-stations. Education and experience include graduation from a four-year college or university with a degree in Electrical Engineering or Mechanical Engineering. A Master's degree or a P.E. certification is highly desirable; a minimum of ten (10) years of increasingly responsible experience in electrical engineering and management positions in the electric utility industry including at least five (5) years of management and administrative responsibility; and/or any equivalent combination of education and experience which provides the requisite knowledge, skills, and abilities necessary to perform this job. The City offers a generous benefits package with 401A and employer matching 457 employee retirement plans, 10 paid holidays annually, vacation and sick leave, health, dental, vision, life insurance, long term disability, and flexible spending accounts. Qualified applicants may apply via our website by downloading an application packet at [www.cityofcovington.org](http://www.cityofcovington.org) or may apply in person at City Hall 2194 Emory Street, Covington, Georgia 30014. With your completed application please include a cover letter and resume. Position will remain open until 4:00 p.m. on Tuesday, December 1, 2020. The City of Covington is an Equal Opportunity Employer.
