

ECG Powerline School

Underground Line Locating School

ECG's comprehensive Underground Line Locating School offers the opportunity to enhance Line locators knowledge and proficiency in locating and fault finding on secondary as well as primary cables. Since 1992 our experienced instructors have trained students to fully develop their potential and contribute in a positive manner to the success of their organizations.

WHAT TO EXPECT EACH DAY

- 1 Principles of Line Locating
Secondary Fault Locating
Principles of Primary Fault Finding
- 2 Primary Fault Finding
