

THE *Smart* WAY TO GROW YOUR UTILITY EMPLOYEES

Powerline School Progression Chart

Having trained more than 1,000 lineworkers, ECG presents one of the most comprehensive Powerline Schools in the country. Our Apprentice Program is a U.S. Department of Labor certified Apprenticeship program requiring a three-year commitment and 6,000 hours of on-the-job training. The program requires both physical and mental dedication, creating highly-skilled lineworkers to benefit your utility organization.
